Gentlemen:-

Referring to your letter regarding War Medal, lot 117 in my sale of the 13th inst., I have to state that the sale must stand; had you asked me at the sale when I made some remarks based upon a letter I had received regarding the number issued, to resell the piece, I would have cheerfully done so as you will recollect I offered to. I must call your attention to the note in the catalogue, regarding the number issued; it is neither my statement nor assertion; it merely copies what others have said, vide: Hart 1895 etc. The distinction between a positive statement and remarks like the one referred to, must be clear to every one. You must make your purchases at my sales on your own judgement; nothing can be purchased for subsequent consideration, when the sale is made, and goods taken from auction room, the action is final and cannot be undone.

I regret I am unable to give you any information regarding the C. S. "I. F. with crown above" on Geo. 3rd half penny.

Yours of the 5th duly received and noted. I regret that you did not express yourself in more reasonable words, regarding my change of date. When I mentioned July 20th, that was given as "about"; the work of the printer with my own progress, made it necessary to select the 22d, and this was done without thought of injury or interference with anyone; no doubt you have found quite the same conditions in the issuing of your own catalogues, and I hope no one has ever said an unkind word to you for it. Gentlemen:-

I duly received your card requesting I name a price on the Baldwin $10.00 1851, but a pressure of business, positively prevented my replying as requested. The piece was at the time beyond the reach of private sale, and of this I knew you would be aware, as soon as a letter could reach you, 6 copies of the catalogue having already been placed in the mails for you.

If we are to measure the value of this piece, and some others that are in the Ulex collection, by the tariff that has recently been placed on Territorial Gold Coins, it is easy to find several that are in line for the highest commendation and valuation.

Most truly yours,

Lyman H. Low.

Dear Sirs:-

I thank you for $18.99 received in yours of the 20th instant, in settlement of account. I regret I am unable to state the sale at which you purchased the Immune Columbia you refer to.

Lot 450 in my sale to take place on the 26th instant, should read bird and pitcher. I still regard the note as rare, also the N. C. 2S and 6D in lot 141. I regret I cannot use the ingots.

Very truly yours,

Lyman H. Low

Gentleman,

I have noted, so far as the blurred condition of your letter will admit, the contents of your letter received this A. M. The return of this particolar note, after it had been on inspection leaves me in a very poor position, competition now being, for the present, impossible. I accordingly return it to you. The statement made in the catalogue ( notice my remarks written upon the envelope), was correct.

The N. H. notes inquired about were all bought on orders, and I have none in stock.

Very truly yours,

Mess. S. H. &. H. Chapman,

Phila., Pa.

Gentlemen:

I have carefully noted the contents of your letter of Nov.3rd. and am not disposed to enter into any debate as to the note. You had an opportunity to inspect it, and after that, it would seem a little unfair to insist upon my taking it back.

While I regret any misunderstanding has arisen, I am unwilling to place the construction you do upon the matter, and shall consider your account open until the note has been paid for. I hold it subject to your order.

As long as this account remains unpaid I shall be obliged to withhold the extension of the usual credit.

Very truly yours,

Lyman H. Low.
